"GHC MGEE 2023 was amazing and to me, this year's theme was the most interesting one thus far. I was honestly impressed at the extent that GHC-ians took to bring the Bollywood theme to life. The pretty lenghas, sarees, kurtas, and kurties were all so mesmerising and the food served was amazing, too. It was indeed a memorable night for me, especially when I won the Best Executive Award that night. I thought being nominated was remarkable enough, but never in my wildest dreams did I think I would actually receive the award. I would like to thank the people who nominated me, my managers, Yin, Basirah, and Rahidah, for pushing me to be the best version of myself. I am also thankful for the flexibility granted by my managers through Mobile Work Arrangement as it gave me the opportunity to perform my job well while also looking after my family, specifically my husband and three lovely kids. And to my colleagues, Abang Jamil and Mr Aru, thank you for being the best colleagues anyone could ask for."

"MGEE 2023 was simply memorable! A night where we got to dress up fabulously, connect with each other, and even put on fun performances. To me at heart, I believe GHC-ians are talented, creative, and fun individuals. As for winning the Young Maybanker award, if someone had caught my expression on camera, they would definitely notice how unexpected it was for me! It was such a humbling and meaningful recognition. I was not me! Where I am without the grace of God, support and love from my colleagues, family, and friends. A reminder for me to stay focused on my purpose, remain committed to growing as an individual, and to continue contributing for the greater good – then, everything will just fall into place."
