Maybank Region Pahang/Kelantan/Terengganu (PKT)'s MGEE, held on 4 November 2023, encapsulated Maybank's commitment to bridging the gap between physical and digital engagement. The event, which took place at The Zenith Hotel in Kuantan, Pahang, brought together 550 in-person participants and over 100 digitally, creating a vibrant atmosphere. The occasion was graced by Dato' Khairussaleh Ramli, President and Group Chief Executive Officer, and Dato' John Chong Eng Chuan, Group CEO, Global Banking (formerly Group CEO, Community Financial Services), adding excitement to the festivities.

The event's theme, 'Beyond the GalaxTea,' resonated with Maybank's vision of surpassing limits and intensifying digitalisation. It symbolised Maybank's commitment to fostering collaboration, celebrating diversity, and accelerating progress to realise our M25+ aspirations. The event not only showcased the captivating performances of talented Maybankers, but also featured entertainment from distinguished individuals, including EXCOs, the Regional Director, and members of the Regional Council. A drum solo by the President and Group CEO stole the spotlight, injecting an electrifying vibe to the atmosphere, making the night even more memorable.

Besides the out-of-this-world entertainment, the highlight of the day was the recognition of outstanding accomplishments within the Region. Noteworthy accolades, including the Best Employee Awards and Long-Service Awards, were presented, acknowledging the contributions of exceptional Maybankers. As Maybank embraces the unique strengths of its community, Region PKT's MGEE set the stage for an accelerated journey from 'Good to Great.'
